MEMORANDUM FOR: Deputy Director for Operations
FROM: Director of Central Intelligence
SUBJECT: Personnel Assignments ☐

25X1

25X1 The other day I mentioned how pleased I was that you are getting out your personnel assignments well ahead of time. By coincidence, the same day I read an ☐ from a Chief of Station who mentioned that he was coming home this summer but did not yet have an assignment. He was by no means complaining, but just passing along the story of his past, present and future. I would hope that, in addition to giving our people a year or so notice on what city they are going to be in well ahead of their actual arrival, their specific job assignment could also be made. ☐
